## WE VALUE AND EXPECT....

**Our core values are central to our program and to our results. These values are embedded in everything that we do and how we do it.**

1. A quality of education for all students that ensure equitable learning.” (Every child can learn.)
2. An environment that is safe and nurturing, where each student is well supported. (Discipline with respect.)
3. Committed, caring highly qualified and educated faculty and staff members (High quality teachers.)
4. Technology that enriches student learning. (Integration of technology into curriculum.)
5. A Culture of Diversity that embraces, values as well as respect individual differences in order to understand, communicate with, and effectively interact with people across cultures within the school community. (Cultural Diversity)
6. Equity for student, staff and community with a standard of excellence. (Equity)
7. A culture of excellence, accountability, and integrity for entire school community. “Say what you mean and mean what you say”.
8. Continuous improvement for each student from the entire learning system to ensure high student achievement. (Individualized high student achievement)
9. Strong connection among home, school and community through pride and encouragement. (Parent involvement)
10. And Fiscal responsibility
